**CERTIFICATION OF JANE SULLIVAN OF FINANCIAL BALLOTING GROUP LLC
WITH RESPECT TO THE TABULATION OF VOTES ON THE DEBTORS' JOINT
PLAN OF REORGANIZATION UNDER CHAPTER 11 OF THE BANKRUPTCY CODE**

STATE OF NEW YORK)
) ss.:
COUNTY OF NEW YORK)

Jane Sullivan, being duly sworn, deposes and says, under the penalty of perjury:

1. I am the Executive Director of Financial Balloting Group LLC ("FBG"), located at 757 Third Avenue, New York, New York 10017, one of two voting agents designated by Delta Air Lines, Inc. ("Delta") and its affiliated debtors in the above-referenced chapter 11 cases, as debtors and debtors in possession (collectively, the "Debtors"), in connection with the Debtors' Joint Plan of Reorganization Under Chapter 11 of the Bankruptcy Code (the "Plan"). I am authorized to submit this certification on behalf of FBG. Unless otherwise stated, I have personal knowledge of the facts hereinafter set forth.

Tabulation of Voting Classes

2. The procedures for the solicitation and tabulation of votes on the Plan are outlined in the Order (I) Approving the Disclosure Statement; (II) Approving Solicitation Procedures; (III) Allowing and Estimating Certain Claims for Voting Purposes; (IV) Approving Forms of Ballots

and Establishing Procedures for Voting on the Debtors' Joint Plan of Reorganization; and (V) Scheduling a Hearing and Establishing Notice and Objection Procedures in Respect of Confirmation of the Debtors' Joint Plan of Reorganization, dated February 7, 2007 (the "Disclosure Statement Order"). FBG was designated to review, determine the validity of, and tabulate ballots submitted to vote for the acceptance or rejection of the Plan by the holders of certain Claims in Delta Class 4 (General Unsecured Claims against the Delta Debtors), specifically with respect to Claims based upon unsecured public securities issued by Delta (the "Noteholder Claims"). Bankruptcy Services, LLC ("BSI"), the claims, noticing, balloting and disbursement agent in the Debtors' cases, was designated to review, determine the validity of, and tabulate all votes other than those related to the Noteholder Claims.

3. FBG has prepared a comprehensive tabulation of all votes cast in all of the voting classes, on a combined basis, whether tabulated by FBG or BSI. I hereby certify that the results of the voting by all voting classes, on a combined basis, are as set forth on Exhibit A hereto, which is a true and correct copy of the final tabulation of votes cast by timely and properly completed ballots received by FBG and BSI, subject to paragraph 11 hereof.¹

4. FBG and BSI received a number of ballots that were invalid, late or otherwise not cast in compliance with the procedures set forth in the Disclosure Statement Order. Such votes were not included in the tabulation. Exhibit C to this Certification describes the ballots that FBG or BSI did not include in the vote tabulation and the reasons the votes reflected on such ballots were not included.

¹ In preparing these comprehensive voting tabulation reports, FBG has relied on the Affidavit of James Katchadurian of Bankruptcy Services LLC Regarding the Methodology for the Tabulation of and Results of Voting With Respect to the Debtors' Joint Plan of Reorganization Under Chapter 11 of the Bankruptcy Code, dated April 18, 2007, a true and correct copy of which is attached as Exhibit B hereto.

Tabulation of Votes Related to Noteholder Claims

5. I supervised the tabulation process performed by personnel of FBG with respect to votes related to the Noteholder Claims.

6. The professionals of FBG have considerable experience in tabulating the ballots of creditors and security holders with respect to plans of reorganization.

7. FBG was instructed to tabulate ballots submitted by holders of Noteholder Claims in accordance with the Disclosure Statement Order.

8. As specified in the Disclosure Statement Order, the record date for determining the holders of Noteholder Claims entitled to vote on the Plan was February 1, 2007 (the "Record Date").

9. Ballots returned by mail, hand delivery, or overnight courier were received by personnel of FBG at the offices of FBG in New York, New York. All ballots received by FBG were date- and time-stamped upon receipt and were processed in accordance with the Disclosure Statement Order.

10. In order for a Noteholder Claim ballot to be counted as valid, the ballot must have been properly completed in accordance with the Disclosure Statement Order and executed by the relevant holder, or such holder's authorized representative, and must have been received by FBG by the deadline of 4:00 p.m. (prevailing Eastern Time) on April 9, 2007 (the "Voting Deadline").

11. In accordance with FBG's customary practice, FBG arranged to pick up master ballots from ADP Investor Communications ("ADP"), which acts as voting agent for a significant number of banks and brokerage firms. FBG's representative was at ADP at the pre-arranged time of 3:30 p.m. on April 9, 2007. ADP did not provide its master ballots to FBG's representative until approximately 6:00 p.m. FBG has included the ADP master ballots in the

tabulation. The ADP master ballots represent the most significant portion of votes cast by holders of Noteholder Claims. In my opinion, it would not be justifiable to disenfranchise the large number of beneficial owners that voted through ADP, simply because of technical issues at ADP. No other votes cast by holders of Noteholder Claims were received between 4:00 p.m. and 6:00 p.m. on April 9, 2007.

12. Ballots not validly executed in accordance with the Disclosure Statement Order and/or not received by the Voting Deadline were not counted. Issues with respect to the validity of ballots were resolved by FBG's supervisory personnel in accordance with the Disclosure Statement Order.

13. All validly executed ballots cast by holders of Noteholder Claims and received by FBG on or before the Voting Deadline were tabulated as outlined in the Disclosure Statement Order.

14. I hereby certify that the results of the voting by holders of Noteholder Claims are as set forth in Exhibit D hereto, which is a true and correct copy of the final tabulation of Noteholder Claim votes cast by timely and properly completed ballots received by FBG, subject to paragraph 11 hereof.²

² In addition to tabulating the votes of Noteholder Claims more generally, the Debtors also asked FBG to tabulate the votes for acceptance or rejection of the Plan by the holders of claims relating to certain note issuances within Delta Class 4. A report relating to the ballots submitted by holders of Kenton County Noteholder Claims is attached hereto as Exhibit E.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge, information, and belief.

3. Pursuant to the Order (i) Approving the Disclosure Statement; (II) Approving Solicitation Procedures; (III) Allowing and Estimating Certain Claims for Voting Purposes; (IV) Approving Forms of Ballots and Establishing Procedures for Voting on the Debtors' Joint Plan of Reorganization; and (V)

4. Pursuant to the Disclosure Statement Order, all completed Ballots were required to be mailed to Delta Air Lines, Inc. Ballot Processing, Bankruptcy Services LLC/Financial Balloting Group, Grand Central Station, PO Box 5295, New York, NY 10164-4280 or delivered by hand or overnight courier to Delta Air Lines, Inc. 5. Upon receipt of the envelopes containing the Ballots, BSI adhered to the following procedures:

(a) The envelopes were opened and the Ballots were removed and stamped with the date received.

(i) The Ballots were sequentially numbered "1" through "22,377" ("Sequence Number") as received, and

(ii) BSI personnel then entered into a computer database, reserved exclusively for recording votes, all pertinent information from the Ballots, including, among other things, the Sequence Number and whether said Ballots indicated acceptance or rejection of the Plan.

(b) All properly executed Ballots that were received by BSI prior to the Voting Deadline, were reviewed by BSI in order to determine their validity, tabulated in accordance with the above procedures, and counted in BSI's vote tabulation. BSI is in possession of such Ballots, and copies of such Ballots are available for review during BSI's regular business hours at BSI's offices, located at 757 Third Avenue, New York, New York 10017.

TABULATION OF VOTES SUBMITTED ON ACCOUNT OF KENTON COUNTY NOTEHOLDER CLAIMS

In addition to tabulating the votes of Noteholder Claims more generally, the Debtors also asked FBG to tabulate the votes for acceptance or rejection of the Plan by the holders of claims relating to certain note issuances within Delta Class 4 (the "Kenton County Noteholder Claims"). The Kenton County Noteholder Claims consist of the following Kenton County airport revenue bonds:

Kenton County Airport Special Facilities Revenue Bonds, 1992 Series A – held in Cusips 491026 JH 4, 491026 JF 8, 491026 JG 6, and 491026 JK 7; and

Kenton County Airport Special Facilities Revenue Bonds, 1992 Series B – held in Cusip 491026 JJ 0.

FBG was requested by the Debtors to prepare a tabulation report of the ballots submitted by holders of Kenton County Noteholder Claims, as if such claims were a separate class.

Table 1 below constitutes a true and correct copy of FBG's report with respect to the separate tabulation of votes submitted on account of Kenton County Noteholder Claims.

Table 2 below constitutes a true and correct copy of FBG's report describing the ballots that were excluded from the Kenton County Noteholder Claims tabulation and the reasons the votes reflected on such ballots were not included.
